Any eligible person possessing an Official Key Certificate shall be allowed to draw their first key and to have it tried to start the car so long as the car has not been won. **Persons arriving after the Official Drawing has started shall go to the end of the line.**

Once every person in line has had a first turn and the car has not yet been won - verified eligible persons who have already tried a key may register for a "Second Chance" in which names are drawn individually for an additional chance to draw a key and have it tried to start the car. The drawing shall continue until the car has been won.

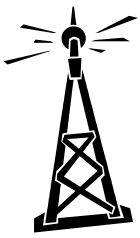

If an Official certificate is newly presented and verified after Second Chance drawing has commenced, that drawing shall be suspended until the newly verified certificate holder has been allowed to draw a first key and have it tried to start the Vehicle. If the car does not start, that person shall be allowed to register for the "Second Chance" drawing.

A "Second Chance" drawing is held for the sole purpose of giving away the car in the event no winner is determined after each eligible person shall have drawn a key for the first time.
